Rohre® Brass Coral Brush

Entry Matting

Rohre Brass Coral Brush Entry Matting is a brush-type entrance matting system comprising a brass carrier with a Coral Brush matting insert. The insert achieves a P5 slip rating to AS 4586 (wet pendulum) and is configured to capture moisture and debris from foot traffic at building entrances. It is set into a routed recess so the insert sits flush, suitable for high-traffic commercial entries; other carrier and profile options are available across the range

COMPLIES WITH AS 4586 (slip resistance)
