Venturi® Polymer

Surface Mounted (L)

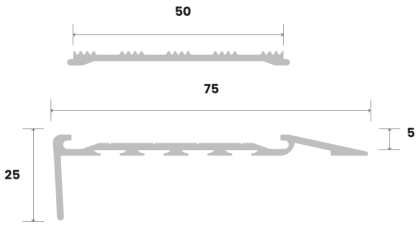

The Venturi Polymer Surface Mounted (L) is a UV stable polymer insert for access and entry applications. This profile surface-fixes directly to the stair or floor edge and needs no rebate, making it the choice for retrofit or anywhere a rebate cannot be cut; recessed and flush variants are also available in the range. It achieves a P5 slip rating to AS 4586, the highest pedestrian classification in both wet and dry conditions, suiting wet and barefoot-traffic areas including aquatic centres and beach access.
