Surface Mounted

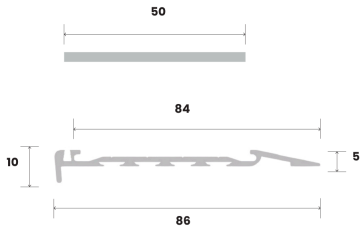

The Venturi Glow Carbtech Surface Mounted stair nosing comprises a UV stabilised silicon carbide insert set into an aluminium carrier that is surface-fixed directly to the stair edge, requiring no rebate and making it suited to retrofit or anywhere a rebate cannot be cut. The insert is classified P5 slip resistance to AS 4586, and a photoluminescent strip at the front edge provides step-edge delineation to AS 1428.1 under low or no ambient lighting. Suitable for internal and external applications; other profiles are available across the range
